## CORRECTED NOTICE

This notice corrects and replaces the notice published in the Juneau Empire on 06/14/2017, and the publication date of this notice in the newspapers of record initiates the 30-day comment period on the Sonar Cabin Replacement project.

The Tongass National Forest, Wrangell Ranger District, has prepared an Environmental Assessment (EA) for the project, which proposes to authorize construction of a new cabin to replace an original cabin used by the Alaska Department of Fish and Game for salmon monitoring. The cabin site is about 20 miles northeast of Wrangell, Alaska on the lower Stikine River within the Stikine-LeConte Wilderness. The Responsible Official for this project is: Beth Pendleton, Regional Forester, Alaska Region of the Forest Service, P.O. Box 21628, Juneau, Alaska 99802-1628, (907) 586-8775.

The EA is available for review at the Wrangell Ranger District and on-line at:

<https://www.fs.usda.gov/project/?project=47136>.

Additional information regarding this project can be submitted via mail, other delivery service, email, fax, or in person to: Robert Dalrymple, Wrangell District Ranger, P.O. Box 51, 525 Bennett Street, Wrangell, Alaska, 99929, fax number (907) 874-7595, or email

## How to Comment and Timeframe.

Specific written comments on the proposed project will be accepted for 30 days following the date of publication of this notice in the Juneau Empire and the Alaska Dispatch News, the newspapers of record for the Alaska Regional Forester. The publication date in the newspapers of record is the exclusive means for calculating the comment period for a proposed action documented in an EA. Those wishing to comment should not rely upon dates or timeframe information provided by any other source.

The proposed project is an activity implementing a land management plan and is subject to 36 CFR 218, Subparts A and B. Only individuals or entities who submit timely and specific written comments about this proposed project during this or another public comment period established by the Responsible Official will be eligible to file an objection. Comments must be within the scope of the proposed action, have a direct relationship to the proposed action, and include supporting reasons for the Responsible Official to consider. Persons submitting comments must provide the following information: name and address; title of the proposed project; specific written comments; and signature or other verification of identity upon request. Other requirements to be eligible to submit an objection are listed at 36 CFR 218.25(a)(3). It is the responsibility of the sender to ensure timely receipt of any comments submitted. Individuals and organizations wishing to be eligible to object must meet the requirements of 36 CFR 218, Subparts A and B.
